VISION & MISSION

- OUR MOTTO:** Seek the things that are above ('quae sursum sunt, sapite' - Col 3,2).
- OUR VISION:** To have well formed young men, who, animated by the liberty and charity emanating from the Gospel, will dedicate themselves, eventually as ordained priests, to the services of the humankind, following in the footsteps of Jesus Christ, our High Priest.
- OUR MISSION:**
1. To motivate the students to always aim high, by providing them avenues for their holistic development through the realization of their God-given talents.
 2. To enable the students to accept each other in mutual respect and love and to instill in them that service to humankind in a spirit of Synodality, is the highest Christian virtue as shown to us by our Redeemer and Lord, Jesus Christ.
 3. To foster in them a true sense of patriotism that will lead them to energetically work for the development of the nation's poor and the marginalized and thus help build a strong and enlightened India.

A GLANCE THROUGH HISTORY

The Seminary of Our Lady, Saligao-Pilerne was the dream of Archbishop- Patriarch D, Teotonio Vieira de Castro (1931- 1940). He thought of building a new Seminary that would be large enough to accommodate 400 to 500 Seminarians. Prior to that, the Minor-Seminarians, who were also known as external students, lived in rented houses, known as 'Comensalidades', around the Patriarchal Seminary of Rachol and even at Mapusa, in North Goa. The foundation stone of the new Seminary was blessed by the Patriarch himself and laid by Major Higino Craveiro Lopes, incharge of the State Government, on the 8th December, 1937, in the presence of a distinguished gathering and a large crowd.

Due to the Second World War and the paucity of funds and materials, the construction work got delayed, until Patriarch, D. Jose da Costa Nunes, the successor of D. Teotonio, sent an appeal to all to donate generously towards the construction of the new Seminary. The project received a great boost when a large donation was made by the Portuguese Government, followed by other donations, accelerating the pace of the construction. Fr. Paulo Arcanjo de Menezes, from Sangolda, supervised the construction work of the Seminary with great zeal and dedication. The interior work e.g. tiling, etc. of the old wing of the Seminary was completed by Fr. Inacio Lourenco Pereira of Albutriel (Diocese of Leiria, Portugal) at the request of D. Jose da Costa Nunes.

His Eminence Cardinal Manuel Gonsalves Cerejeira, Patriarch of Lisbon and Legate 'a latere' of His Holiness Pope Pius XII for the Expositon and fourth centenary celebrations of the death of St. Francis Xavier, inaugurated the First Phase of the original plan of the Seminary, on the 6th of December, 1952.

The Seminary Chapel was dedicated to Our Lady of Rosary of Fatima. Through an Order dated 13th March, 1953, issued by the Patriarch, The 'Preparatory Course' of Rachol Seminary and the staff teaching it were shifted to the new Seminary of Saligao- Pilerne. The first Academic Year began with a Solemn Session on the 22nd of June, 1953 presided over by the Governor General While the Patriarch of

the East Indies was the Guest of Honour. Msgr. Altino Ribeiro de Santana, later Bishop of Sa de Bandeira (Angola) and Beira (Mozambique), was appointed the first Rector of the new Seminary.

Just before the Liberation of Goa, the third Rector, Msgr. Raul N. Gonsalves, former Archbishop Patriarch of Goa and Daman, due to the increasing number of candidates aspiring for priesthood, began the construction of the North wing of the Seminary. The work was completed in 1968, by Msgr. Alfredo das Angustias Mesquita, the fourth Rector. This was the Second Phase of the construction. The North West wing of the original plan has not been taken up for construction.

The Minor Seminary had its curriculum different from the official school curriculum. Consequently, students leaving the Seminary would face difficulties in getting integrated (or re- integrated) in the school curriculum. To obviate this difficulty the syllabi for STD: VIII, IX and X of the Secondary School, prescribed by the Goa Board of Secondary and Higher Secondary Education, were introduced in the Seminary. Thus, in 1976, the Seminary of Our Lady High School, came to existence recognized by the Government of Goa and the Goa Board of Secondary and Higher Secondary Education, due to the persistent efforts of the fifth Rector, Fr. Cromancio Mascarenhas and the Diocesan Society of Education. Right from the time of its recognition, this School has won laurels due to its good results at the Board examinations, which is a testimony to the high standards demanded by the teachers from the students of this Seminary.

During the tenure of the sixth Rector, Rev. Fr. Manuel Pinto do Rosario, the construction of an appropriate building, the “Seminary Niwas”, at Duler, Mapusa was successfully completed. Niwas has served as a residence to our Minor Seminarians pursuing higher secondary education in St. Xavier's Higher Secondary School, till the academic year 2021 and now from 2021-22 it serves as residence for the seminarians graduating at St Xavier's College, Mapusa, run by the Archdiocese of Goa.

During the tenure of Rev. Fr. Manuel Gomes the seventh Rector, extensive repair and renovation work was taken up and the corridors' windows were fixed with glass panes, boundary walls of the Seminary property were fortified and special efforts were made to

strengthen the financial condition of the Seminary. On the occasion of the Golden Jubilee Fr Manuel published a valuable book entitled 'From Roots to Fruits' on the History of the Seminary.

The eighth Rector, Fr. Avinash Rebelo, initiated the project of turning the barren land of the Seminary into a mango orchard with Rain Water Harvesting.

Fr. Tony Salema, the ninth Rector, carried forward the Mango orchard project with the help of the Prefects and the students. He also took up the renovation work of the whole roof of the Seminary by changing the deteriorating Cement Asbestos sheets to Galvanum sheets. So also he changed the flooring of the ground floor and the dormitories on the first floor. Additional bathrooms, other repairs and water proofing of the roof were also done. He also introduced use of solar energy and re-enforced the financial condition of the Seminary together with other members of the staff.

In the seven decades of its existence, hundreds of students have passed through the portals of this Seminary, some of whom became priests, while others work in different capacities in Goa and elsewhere.

The red- letter day in the annals of the Seminary was when one of its alumini, Rev. Filipe Neri Ferrao, was chosen as the Auxiliary Bishop of Goa and Daman on the 25th of Jan 1994. He was ordained Bishop on 10th April, the same year. He was installed as Archbishop of Goa and Daman and Patriarch of East Indies on 21st March 2004 and on 27th August 2022 he was elevated to the rank of a Cardinal. Another student, Rev. Anil Joseph Thomas Couto, is presently the Archbishop of the Archdiocese of Delhi. Rt. Rev. Allwyn Barretto, Bishop of Sindudurg also was a student of this Seminary for two years. Most recently, Rev. Simiao Purificacao Fernandes, also a student of this Seminary was ordained bishop on 17th June 2024 and has been appointed Auxiliary Bishop of our Archdiocese.

With such a glorious tradition behind us, we launch into the 73rd Formation Year of the ministry of this our beloved Seminary with full trust in God, whose love urges us on to train young boys to FOLLOW CHRIST under the patronage of our Heavenly Mother, Mary,der the patronage of our Heavenly Mother, Mary.

SEMINARY LIFE AND DISCIPLINE

Jesus, the High Priest, instituted the Sacrament of Priesthood to carry forward the mission of His Father. The journey towards this Priesthood of Christ consists of 3 fold stages i.e. Vocation, Formation and Mission. Firstly, Jesus chooses and calls the apostles irrespective of their difference. Secondly, Jesus forms them with His close and personal experience. Finally, He sends them to be messengers of love and mercy. Today Jesus continues to call, form and send the priest to work in His vineyard. Some of them responding to this call join the Saligao Seminary to be a Diocesan Priest. Firstly, Seminary helps one to identify and discern his Priestly vocation. Secondly, it gives experience and moulds oneself unto the heart of Jesus and finally it prepares them to be ardent witnesses of Christ. Thus each Seminarian as he discerns his vocation has to constantly walk the path of holiness by observing the given timetable and discipline of the Seminary.

TIMETABLE

Morning Rising: Seminarians should rise in the morning at the sound of the bell and offer their day through prayer. The seminarians are called to praise God at the start of the day by listening to the voice of God in the bell.

Meditation: Everyday one has to actively participate in the ½ hour meditation which helps them to be aware and mould oneself by reflecting on the gospel.

Mass: Eucharist is the greatest opportunity to experience Jesus and carry Him throughout the course of the day. Thus all Seminarians should participate in the mass worthily, lively, with proper disposition and formal cloths.

Breakfast: After mass all the seminarians go in line and in silence for their breakfast. Silence ends after breakfast during the weekdays in order to get set for the school quickly.

School: Seminarians should work hard to acquire knowledge and grow in wisdom. One should give his best in studies and also build healthy relationships with everybody (teachers, staff, boys, girls, etc) involving themselves in the extra-curriculum activities for the sake of overall development.

Lunch: Seminarians should share the healthy and nourishing food by observing all the table manners with a prayer before and after meals. Nobody moves out of the refectory without due permission from the Senior CR.

Recreation: To relax themselves Seminarians can play indoor games like table tennis, carom, chess, etc which will help them to revive.

Group study: Seminarians should make the best use of group study time by helping each other to excel in studies and building unity.

Hobby cultivation: God given talent like music, drawing, writing, singing, etc has to be cultivated and nurtured at this time by learning and practicing the skills with dedication.

Work: As priest our mission is to work for Christ. Thus seminarians should be ready to do any kind of work with total dedication, enthusiasm and responsibility.

Games: All the seminarians have to be on the playground during the games time unless has a valid reason not to play. Those who don't wish to play have to work in the main garden.

Bathing: All should have proper bath in their respective bathrooms without making noise within the given time.

Study Time: This Study time is known as golden silence. One has to use

this time for serious study with complete silence without moving from place or engaging in other activities than studies.

Scripture and Spiritual Reading: Seminarians should faithfully read the Bible and life of the Saints in order to know and deepen one's faith during the scheduled time as well as other time.

Rosary: Mother Mary is close to every priest and seminarians. Seminarians should seek Her protect with proper devotion and make conscious efforts to pray the rosary devoutly and faithfully.

Adoration: Seminarians should experience the love of Jesus by worshiping and adoring Him in the Blessed Sacrament not only during adoration time but also in personal prayers.

Dinner: After the initial prayer and a short reading dinner is served. After the final prayer all move to Chapel for Spiritual Communion prayer. Seminarians should maintain silence for dinner on Tuesdays and Fridays.

Night Recreation: It is a time for re-enforcing relationships among the student through group activities. It is also time for self improvement by showcasing/enhancing one's talents.

Night Prayer: Recollecting the whole day Seminarians should Thank God for the blessings and ask pardon for sins during the night prayer. No one should indulge in talking after night prayer.

Cultural Activities: Every month there are various kinds of activities organized for the Seminarians so that they grow in leadership, responsibility, happiness, confidence, etc. Thus all seminarians should compulsorily participate in some or the other activity for all round formation.

Retreat, Recollections, Spiritual directions and Confessions: From time to time Seminarians should worthily participate in these activities for the spiritual nourishment and to discern their vocation.

**RECOMMENDATIONS TO
PARENTS/GUARDIANS**

1. The parents/ guardians are the primary formators of their children. The Seminary carries forward and complements the role of the parents. Therefore, during the time Seminarians are at home it is natural that the parents involve themselves in their formation and join hands with the Seminary authorities in molding their child efficiently.
2. Parents/guardians are expected to do their part in inculcating regular work habits and discipline in their children. However, nobody can be expected to study profitably without proper relaxation, recreation and games. Hence, parents/guardians should encourage their sons/wards to participate in the numerous co-curricular activities organized in the Parish/Seminary.
3. Youth today have to face problems and difficulties different from the yesteryears. Therefore, parents/guardians should encourage their sons/wards to confide in them with their problems/doubts. They should give their sons/wards time. The seminarians must feel that their parents are genuinely interested in their growth and well-being.
4. Parents/guardians should bring to the notice of the Prefect/Rector any concerns that they may have regarding the growth of their son. They should also discuss the matter with their Parish Priest.
5. Parents and guardians must realize that their help and co-operation is needed for their children to get the full benefit of the training given to them in the Seminary/Parish.
